### Anti-FRA2/FOSL2 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal BOB-PB9591-HRP

|                          |                                                                                                                                    |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-FRA2/FOSL2 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                               |
| Artikelnummer            | BOB-PB9591-HRP                                                                                                                     |
| Hersteller Artikelnummer | PB9591-HRP                                                                                                                         |
| Alternativnummer         | BOB-PB9591-HRP-100UG                                                                                                               |
| Hersteller               | Boster Bio                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                         |
| Applikation              | ELISA, IHC, WB                                                                                                                     |
| Spezies Reaktivität      | Human, Rat                                                                                                                         |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human FRA2, identical to the related mouse and rat sequences. |
| Klonalität               | Polyclonal                                                                                                                         |
| Molekulargewicht         | Calculated Molecular Weight: 35193 MW                                                                                              |
| NCBI                     | <a href="#">2355</a>                                                                                                               |
| UniProt                  | <a href="#">P15408</a>                                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                |
| Reinheit                 | Immunogen affinity purified.                                                                                                       |
| Formulierung             | Liquid                                                                                                                             |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | Fos-related antigen 2                                                                                      |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
