| Artikelname              | Anti-Connexin 45/GJA7/GJC1 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                                 |
| Artikelnummer            | BOB-PB9624-FLUORO550                                                                                                                                                  |
| Hersteller Artikelnummer | PB9624-Fluoro550                                                                                                                                                      |
| Alternativnummer         | BOB-PB9624-FLUORO550-100UG                                                                                                                                            |
| Hersteller               | Boster Bio                                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                                            |
| Applikation              | FC                                                                                                                                                                    |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                            |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human Connexin 45/GJA7, different from the related mouse and rat sequences by three amino acids. |
| Klonalität               | Polyclonal                                                                                                                                                            |
| Molekulargewicht         | Calculated Molecular Weight: 45470 MW                                                                                                                                 |
| NCBI                     | <a href="#">10052</a>                                                                                                                                                 |
| UniProt                  | <a href="#">P36383</a>                                                                                                                                                |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                           |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Gap junction gamma-1 protein                  |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
