| Artikelname              | Anti-PAR2/F2RL1 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                                                                               |
| Artikelnummer            | BOB-PB9700-FLUORO594                                                                                                                                                                                     |
| Hersteller Artikelnummer | PB9700-Fluoro594                                                                                                                                                                                         |
| Alternativnummer         | BOB-PB9700-FLUORO594-100UG                                                                                                                                                                               |
| Hersteller               | Boster Bio                                                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                                                                               |
| Applikation              | FC                                                                                                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                                                                                                    |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human PAR2, different from the related mouse sequence by eight amino acids, and from the related rat sequence by seven amino acids. |
| Klonalität               | Polyclonal                                                                                                                                                                                               |
| Molekulargewicht         | Calculated Molecular Weight: 44126 MW                                                                                                                                                                    |
| NCBI                     | <a href="#">2150</a>                                                                                                                                                                                     |
| UniProt                  | <a href="#">P55085</a>                                                                                                                                                                                   |

|                        |                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Reinheit               | Immunogen affinity purified.                                                                                 |
| Formulierung           | Liquid                                                                                                       |
| Target-Kategorie       | Proteinase-activated receptor 2                                                                              |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                                                                |
