## Product Datasheet

### **Anti-UBE1C/UBA3 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal** **BOB-PB9838-FLUORO488**

|                          |                                                                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-UBE1C/UBA3 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                          |
| Artikelnummer            | BOB-PB9838-FLUORO488                                                                                                                |
| Hersteller Artikelnummer | PB9838-Fluoro488                                                                                                                    |
| Alternativnummer         | BOB-PB9838-FLUORO488-100UG                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                          |
| Applikation              | FC                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                   |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human UBE1C, identical to the related mouse and rat sequences. |
| Klonalität               | Polyclonal                                                                                                                          |
| Molekulargewicht         | Calculated Molecular Weight: 51852 MW                                                                                               |
| NCBI                     | <a href="#">9039</a>                                                                                                                |
| UniProt                  | <a href="#">Q8TBC4</a>                                                                                                              |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                         |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | NEDD8-activating enzyme E1 catalytic subunit  |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
