### Anti-UNC5C Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal BOB-PB9841-FLUORO594

|                          |                                                                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-UNC5C Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                               |
| Artikelnummer            | BOB-PB9841-FLUORO594                                                                                                                |
| Hersteller Artikelnummer | PB9841-Fluoro594                                                                                                                    |
| Alternativnummer         | BOB-PB9841-FLUORO594-100UG                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                          |
| Applikation              | FC                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                   |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human UNC5C, identical to the related mouse and rat sequences. |
| Klonalität               | Polyclonal                                                                                                                          |
| Molekulargewicht         | Calculated Molecular Weight: 103146 MW                                                                                              |
| NCBI                     | <a href="#">8633</a>                                                                                                                |
| UniProt                  | <a href="#">O95185</a>                                                                                                              |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                        |
| Reinheit                 | Immunogen affinity purified.                                                                                                        |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Netrin receptor UNC5C                         |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
