| Alternativnummer         | BOB-PB9953-PE-100UG                                                                                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                                                           |
| Applikation              | FC                                                                                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                    |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human MEF2A, different from the related mouse sequence by one amino acid, and from the related rat sequence by two amino acids. |
| Klonalität               | Polyclonal                                                                                                                                                                                           |
| Molekulargewicht         | Calculated Molecular Weight: 54811 MW                                                                                                                                                                |
| NCBI                     | <a href="#">4205</a>                                                                                                                                                                                 |
| UniProt                  | <a href="#">Q02078</a>                                                                                                                                                                               |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                                          |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                                         |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Myocyte-specific enhancer factor 2A           |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
