| Hersteller               | Boster Bio                                                                                                                                                                                                                 |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                           |
| Applikation              | SDS-PAGE                                                                                                                                                                                                                   |
| Produktbeschreibung      | Mouse recombinant RANK/TNFRSF11A protein expressed in Baculovirus with hIgG-His-Tag. Sequence domain: 31-214aa. Application(s): SDS-PAGE, Bioactivity. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 1mg/ml (determined by absorbance at 280nm)                                                                                                                                                                                 |
| Tag                      | hIgG-His-Tag                                                                                                                                                                                                               |
| UniProt                  | <a href="#">O35305</a>                                                                                                                                                                                                     |
| Puffer                   | Phosphate-Buffered Saline (pH 7.4) containing 10% glycerol                                                                                                                                                                 |
| Quelle                   | Baculovirus                                                                                                                                                                                                                |
| Formulierung             | Liquid                                                                                                                                                                                                                     |
