| Alternativnummer         | BOB-PROTP04401-2-50UG-50UG                                                                                                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                                                                                                   |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                             |
| Applikation              | SDS-PAGE                                                                                                                                                                                                     |
| Produktbeschreibung      | Mouse recombinant IL-5 protein expressed in HEK293 with His-Tag.<br>Sequence domain: 21-133aa. Application(s): SDS-PAGE, Bioactivity.<br>Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 0.25mg/ml (determined by Absorbance at 280nm)                                                                                                                                                                |
| Tag                      | His-Tag                                                                                                                                                                                                      |
| UniProt                  | <a href="#">P04401</a>                                                                                                                                                                                       |
| Puffer                   | Phosphate-Buffered Saline (pH 7.4) containing 10% glycerol                                                                                                                                                   |
| Quelle                   | HEK293                                                                                                                                                                                                       |
| Formulierung             | Liquid                                                                                                                                                                                                       |
