### Human APP/Protease Nexin II Recombinant Protein BOB-PROTP05067-20UG

|                          |                                                                                                                                            |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Human APP/Protease Nexin II Recombinant Protein                                                                                            |
| Artikelnummer            | BOB-PROTP05067-20UG                                                                                                                        |
| Hersteller Artikelnummer | PROTP05067-20ug                                                                                                                            |
| Alternativnummer         | BOB-PROTP05067-20UG-20UG                                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                                 |
| Kategorie                | Proteine/Peptide                                                                                                                           |
| Applikation              | SDS-PAGE                                                                                                                                   |
| Produktbeschreibung      | Human APP/Protease Nexin II Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 18-289aa. Application(s): SDS-PAGE.... |
| Konzentration            | 1mg/ml (determined by Bradford assay)                                                                                                      |
| Molekulargewicht         | 34.7 kDa (308aa) confirmed by MALDI-TOF (Molecular weight on SDS-PAGE will appear higher)                                                  |
| Tag                      | His-Tag                                                                                                                                    |
| UniProt                  | <a href="#">P05067</a>                                                                                                                     |
| Puffer                   | 20mM Tris-HCl buffer (pH 8.0) containing 20% glycerol, 0.1M NaCl, 1mM DTT                                                                  |
| Quelle                   | E. coli                                                                                                                                    |
| Formulierung             | Liquid                                                                                                                                     |
