| Alternativnummer         | BOB-PROTP07339-1-500UG-500UG                                                                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                  |
| Applikation              | SDS-PAGE                                                                                                                                                                                                          |
| Produktbeschreibung      | Human recombinant Cathepsin D protein expressed in HEK293 with His-Tag. Sequence domain: 21-412aa. Application(s): SDS-PAGE, Enzyme Activity. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 1 mg/ml (determined by Absorbance at 280nm)                                                                                                                                                                       |
| Tag                      | His-Tag                                                                                                                                                                                                           |
| UniProt                  | <a href="#">P07339</a>                                                                                                                                                                                            |
| Puffer                   | 50mM MES buffer (pH 5.5) containing 100mM NaCl, 20% glycerol.                                                                                                                                                     |
| Quelle                   | HEK293                                                                                                                                                                                                            |
| Formulierung             | Liquid                                                                                                                                                                                                            |
