| Hersteller               | Boster Bio                                                                                                                                                               |
| Kategorie                | Proteine/Peptide                                                                                                                                                         |
| Applikation              | SDS-PAGE                                                                                                                                                                 |
| Produktbeschreibung      | Mouse Glutathione S-Transferase Mu1/GSTM1 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 1-218aa. Application(s): Enzyme Activity, SDS-PAGE.... |
| Konzentration            | 1mg/ml (determined by Bradford assay)                                                                                                                                    |
| Molekulargewicht         | 28.1 kDa (238aa) confirmed by MALDI-TOF                                                                                                                                  |
| Tag                      | His-Tag                                                                                                                                                                  |
| UniProt                  | <a href="#">P10649</a>                                                                                                                                                   |
| Puffer                   | 20mM Tris-HCl buffer (pH 8.0) containing 1mM DTT, 10% glycerol                                                                                                           |
| Quelle                   | E. coli                                                                                                                                                                  |
| Formulierung             | Liquid                                                                                                                                                                   |
