| Hersteller               | Boster Bio                                                                                                                                                                                    |
| Kategorie                | Proteine/Peptide                                                                                                                                                                              |
| Applikation              | SDS-PAGE                                                                                                                                                                                      |
| Produktbeschreibung      | Human UMPS Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 1-480aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 0.25mg/ml (determined by absorbance at 280nm)                                                                                                                                                 |
| Molekulargewicht         | 53 kDa (486aa)                                                                                                                                                                                |
| Tag                      | His-Tag                                                                                                                                                                                       |
| UniProt                  | <a href="#">P11172</a>                                                                                                                                                                        |
| Puffer                   | Phosphate-Buffered Saline (pH 7.4) containing 30% glycerol                                                                                                                                    |
| Quelle                   | Baculovirus                                                                                                                                                                                   |
| Formulierung             | Liquid                                                                                                                                                                                        |
