| Alternativnummer         | BOB-PROTP13726-20UG-20UG                                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                                |
| Kategorie                | Proteine/Peptide                                                                                                                                          |
| Applikation              | SDS-PAGE                                                                                                                                                  |
| Produktbeschreibung      | Human Coagulation Factor III/Tissue Factor Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 33-251aa. Application(s): SDS-PAGE.... |
| Konzentration            | 0.5mg/ml (determined by Bradford assay)                                                                                                                   |
| Molekulargewicht         | 25.9 kDa (228aa) confirmed by MALDI-TOF (Molecular weight on SDS-PAGE will appear higher)                                                                 |
| Tag                      | His-Tag                                                                                                                                                   |
| UniProt                  | <a href="#">P13726</a>                                                                                                                                    |
| Puffer                   | 20mM Tris-HCl buffer (pH 8.0) containing 0.1M NaCl, 10% glycerol, 1mM DTT                                                                                 |
| Quelle                   | E. coli                                                                                                                                                   |
| Formulierung             | Liquid                                                                                                                                                    |
