| Alternativnummer         | BOB-PROTP14415-4-10UG-10UG                                                                                                                                                                                        |
| Hersteller               | Boster Bio                                                                                                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                  |
| Applikation              | SDS-PAGE                                                                                                                                                                                                          |
| Produktbeschreibung      | Human recombinant ATP1B2 protein expressed in Baculovirus with His-Tag. Sequence domain: 68-290aa. Application(s): SDS-PAGE, Enzyme Activity. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 0.5mg/ml (determined by absorbance at 280nm)                                                                                                                                                                      |
| Tag                      | His-Tag                                                                                                                                                                                                           |
| UniProt                  | <a href="#">P14415</a>                                                                                                                                                                                            |
| Puffer                   | Phosphate-Buffered Saline (pH 7.4) containing 10% glycerol                                                                                                                                                        |
| Quelle                   | Baculovirus                                                                                                                                                                                                       |
| Formulierung             | Liquid                                                                                                                                                                                                            |
