| Hersteller               | Boster Bio                                                                                                                                                                                                                                 |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                           |
| Applikation              | SDS-PAGE                                                                                                                                                                                                                                   |
| Produktbeschreibung      | Mouse L-lactate dehydrogenase B chain/Ldhb Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 1-334aa. Application(s): Enzyme Activity, SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 1mg/ml (determined by absorbance at 280nm)                                                                                                                                                                                                 |
| Molekulargewicht         | 39 kDa (357aa) confirmed by MALDI-TOF                                                                                                                                                                                                      |
| Tag                      | His-Tag                                                                                                                                                                                                                                    |
| UniProt                  | <a href="#">P16125</a>                                                                                                                                                                                                                     |
| Puffer                   | 20mM Tris-HCl buffer (pH 8.0) containing 1mM DTT, 10% glycerol                                                                                                                                                                             |
| Quelle                   | E. coli                                                                                                                                                                                                                                    |
| Formulierung             | Liquid                                                                                                                                                                                                                                     |
