| Alternativnummer         | BOB-PROTP17948-7-50UG-50UG                                                                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                                                                                      |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                |
| Applikation              | SDS-PAGE                                                                                                                                                                                                        |
| Produktbeschreibung      | Human recombinant VEGFR1/Flt-1 protein expressed in HEK293 with hIgG-Tag. Sequence domain: 27-328aa. Application(s): SDS-PAGE, Bioactivity. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 0.5mg/ml (determined by absorbance at 280nm)                                                                                                                                                                    |
| Tag                      | hIgG-Tag                                                                                                                                                                                                        |
| UniProt                  | <a href="#">P17948</a>                                                                                                                                                                                          |
| Puffer                   | Phosphate-Buffered Saline (pH 7.4) containing 10% glycerol                                                                                                                                                      |
| Quelle                   | HEK293                                                                                                                                                                                                          |
| Formulierung             | Liquid                                                                                                                                                                                                          |
