| Hersteller               | Boster Bio                                                                                                                                                                                                          |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                    |
| Applikation              | SDS-PAGE                                                                                                                                                                                                            |
| Produktbeschreibung      | Mouse SCF/c-kit Ligand Recombinant Protein expressed in E. coli (non-tagged). Sequence domain: 26-189aa. Application(s): SDS-PAGE, Bioactivity. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 1mg/ml (determined by Bradford assay)                                                                                                                                                                               |
| Molekulargewicht         | 18 kDa (165aa) confirmed by MALDI-TOF                                                                                                                                                                               |
| Tag                      | Non-Tagged                                                                                                                                                                                                          |
| UniProt                  | <a href="#">P20826</a>                                                                                                                                                                                              |
| Puffer                   | Phosphate-Buffered Saline (pH 7.4) containing 10% glycerol                                                                                                                                                          |
| Quelle                   | E. coli                                                                                                                                                                                                             |
