| Alternativnummer         | BOB-PROTP37173-100UG-100UG                                                                                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                                                                                  |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                            |
| Applikation              | SDS-PAGE                                                                                                                                                                                                    |
| Produktbeschreibung      | Human TGF-beta RII Recombinant Protein expressed in Baculovirus with hIgG-His-tag. Sequence domain: 23-166aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 0.5mg/ml (determined by absorbance at 280nm)                                                                                                                                                                |
| Molekulargewicht         | 43.3 kDa (383aa)                                                                                                                                                                                            |
| Tag                      | hIgG-His-Tag                                                                                                                                                                                                |
| UniProt                  | <a href="#">P37173</a>                                                                                                                                                                                      |
| Puffer                   | Phosphate-Buffered Saline (pH 7.4) containing 10% glycerol                                                                                                                                                  |
| Quelle                   | Baculovirus                                                                                                                                                                                                 |
| Formulierung             | Liquid                                                                                                                                                                                                      |
