| Kategorie                | Proteine/Peptide                                                                                                                                                                                   |
| Applikation              | SDS-PAGE                                                                                                                                                                                           |
| Produktbeschreibung      | Human CCL11/Eotaxin Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 24-97aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 0.5mg/ml (determined by Bradford assay)                                                                                                                                                            |
| Molekulargewicht         | 10.6 kDa (95aa) confirmed by MALDI-TOF                                                                                                                                                             |
| Tag                      | His-Tag                                                                                                                                                                                            |
| UniProt                  | <a href="#">P51671</a>                                                                                                                                                                             |
| Puffer                   | 20mM Tris-HCl buffer (pH 8.0) containing 10% glycerol, 1mM DTT, 0.1 M NaCl.                                                                                                                        |
| Quelle                   | E. coli                                                                                                                                                                                            |
| Formulierung             | Liquid                                                                                                                                                                                             |
