| Kategorie                | Proteine/Peptide                                                                                                                                                                                          |
| Applikation              | SDS-PAGE                                                                                                                                                                                                  |
| Produktbeschreibung      | Human IL-13 R alpha 1 Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 22-343aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 0.5mg/ml (determined by Bradford assay)                                                                                                                                                                   |
| Molekulargewicht         | 37.7 kDa (328aa)                                                                                                                                                                                          |
| Tag                      | His-Tag                                                                                                                                                                                                   |
| UniProt                  | <a href="#">P78552</a>                                                                                                                                                                                    |
| Puffer                   | Phosphate-Buffered Saline (pH 7.4)                                                                                                                                                                        |
| Quelle                   | Baculovirus                                                                                                                                                                                               |
| Formulierung             | Liquid                                                                                                                                                                                                    |
