| Kategorie                | Proteine/Peptide                                                                                                                                                                                       |
| Applikation              | SDS-PAGE                                                                                                                                                                                               |
| Produktbeschreibung      | Mouse CCL21/6Ckine Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 24-133aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 0.5mg/ml (determined by absorbance at 280nm)                                                                                                                                                           |
| Molekulargewicht         | 13.1 kDa (119aa)                                                                                                                                                                                       |
| Tag                      | His-Tag                                                                                                                                                                                                |
| UniProt                  | <a href="#">P84444</a>                                                                                                                                                                                 |
| Puffer                   | Phosphate-Buffered Saline (pH 7.4) containing 10% glycerol                                                                                                                                             |
| Quelle                   | Baculovirus                                                                                                                                                                                            |
| Formulierung             | Liquid                                                                                                                                                                                                 |
