| Alternativnummer         | BOB-PROTP9WQP3-10UG-10UG                                                                                                                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                                                                                                                 |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                           |
| Applikation              | SDS-PAGE                                                                                                                                                                                                                   |
| Produktbeschreibung      | mycobacterium tuberculosis Antigen 85A Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 44-338aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 0.5mg/ml (determined by absorbance at 280nm)                                                                                                                                                                               |
| Molekulargewicht         | 32.8 kDa (305aa)                                                                                                                                                                                                           |
| Tag                      | His-Tag                                                                                                                                                                                                                    |
| UniProt                  | <a href="#">P9WQP3</a>                                                                                                                                                                                                     |
| Puffer                   | 20mM Tris-HCl buffer (pH 8.0) containing, 10% glycerol                                                                                                                                                                     |
| Quelle                   | Baculovirus                                                                                                                                                                                                                |
| Formulierung             | Liquid                                                                                                                                                                                                                     |
