| Hersteller Artikelnummer | PROTQ9H2X3-1-10ug                                                                                                                                                                                           |
| Alternativnummer         | BOB-PROTQ9H2X3-1-10UG-10UG                                                                                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                                                                                  |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                            |
| Applikation              | SDS-PAGE                                                                                                                                                                                                    |
| Produktbeschreibung      | Human recombinant CD299/CLEC4M protein expressed in Baculovirus with hIgG-His-Tag. Sequence domain: 72-399aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 0.5mg/ml (determined by Absorbance at 280nm)                                                                                                                                                                |
| Tag                      | hIgG-His-Tag                                                                                                                                                                                                |
| UniProt                  | <a href="#">Q9H2X3</a>                                                                                                                                                                                      |
| Puffer                   | Phosphate-Buffered Saline (pH 7.4) containing 10% glycerol                                                                                                                                                  |
| Quelle                   | Baculovirus                                                                                                                                                                                                 |
| Formulierung             | Liquid                                                                                                                                                                                                      |
