| Kategorie                | Proteine/Peptide                                                                                                                                                                                             |
| Applikation              | SDS-PAGE                                                                                                                                                                                                     |
| Produktbeschreibung      | Human IL-21 Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 30-162aa. Application(s): SDS-PAGE, Bioactivity. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Konzentration            | 0.25mg/ml (determined by Bradford assay)                                                                                                                                                                     |
| Molekulargewicht         | 16.9 kDa (145aa)                                                                                                                                                                                             |
| Tag                      | His-Tag                                                                                                                                                                                                      |
| UniProt                  | <a href="#">Q9HBE4</a>                                                                                                                                                                                       |
| Puffer                   | Phosphate-Buffered Saline (pH 7.4) containing 20% glycerol                                                                                                                                                   |
| Quelle                   | Baculovirus                                                                                                                                                                                                  |
| Formulierung             | Liquid                                                                                                                                                                                                       |
