| Hersteller               | Boster Bio                                                                                                                                                                                                                                                    |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | SDS-PAGE                                                                                                                                                                                                                                                      |
| Produktbeschreibung      | Human MRPS23 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 1-190aa. Application(s): SDS-PAGE, Denatured. Denatured protein is most likely not the best option for functional studies. It is better suited for Western Blot (WB) ... |
| Konzentration            | 1mg/ml (determined by Bradford assay)                                                                                                                                                                                                                         |
| Molekulargewicht         | 24.2 kDa (213aa)                                                                                                                                                                                                                                              |
| Tag                      | His-Tag                                                                                                                                                                                                                                                       |
| UniProt                  | <a href="#">Q9Y3D9</a>                                                                                                                                                                                                                                        |
| Puffer                   | Phosphate-Buffered Saline (pH 7.4) containing 10% glycerol,                                                                                                                                                                                                   |
| Quelle                   | E. coli                                                                                                                                                                                                                                                       |
