| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | WB                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                        |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human ERV31.                                                                                                                                                                            |
| Produktbeschreibung      | Boster Bio Anti-ERV31/ERV3-1 Antibody catalog RP1091. Tested in WB applications. This antibody reacts with Human. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and strong signals with minima... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | Observed Molecular Weight: 68 kDa. Calculated Molecular Weight: 67942 MW                                                                                                                                                                                     |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">2086</a>                                                                                       |
| UniProt                | <a href="#">Q14264</a>                                                                                     |
| Puffer                 | Each vial contains 5mg BSA, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> . |
| Reinheit               | Immunogen affinity purified.                                                                               |
| Formulierung           | Lyophilized                                                                                                |
| Target-Kategorie       | Endogenous retrovirus group 3 member 1 Env polyprotein                                                     |
| Application Verdünnung | Western blot, 0.1-0.5µg/ml, Human                                                                          |
