| Artikelname              | Anti-L-Arginine decarboxylase/AZIN2 Antibody Picoband Fluoro550<br>Conjugated, Rabbit, Polyclonal                                                   |
| Artikelnummer            | BOB-RP1112-FLUORO550                                                                                                                                |
| Hersteller Artikelnummer | RP1112-Fluoro550                                                                                                                                    |
| Alternativnummer         | BOB-RP1112-FLUORO550-100UG                                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                          |
| Applikation              | FC                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                   |
| Immunogen                | E. coli-derived human AZIN2 recombinant protein (Position: C111-Q301). Human AZIN2 shares 89.4% amino acid (aa) sequence identity with mouse AZIN2. |
| Klonalität               | Polyclonal                                                                                                                                          |
| Molekulargewicht         | Calculated Molecular Weight: 49980 MW                                                                                                               |
| NCBI                     | <a href="#">113451</a>                                                                                                                              |
| UniProt                  | <a href="#">Q96A70</a>                                                                                                                              |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                         |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Antizyme inhibitor 2                          |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
