## Product Datasheet

### Interferon gamma antibody [4S.B3] (PE-Cy7), IgG1, PE/Cy7, Mouse, Monoclonal GTX00484-10

|                          |                                                                                  |
|--------------------------|----------------------------------------------------------------------------------|
| Artikelname              | Interferon gamma antibody [4S.B3] (PE-Cy7), IgG1, PE/Cy7, Mouse, Monoclonal      |
| Artikelnummer            | GTX00484-10                                                                      |
| Hersteller Artikelnummer | GTX00484-10                                                                      |
| Alternativnummer         | GTX00484-10-100                                                                  |
| Hersteller               | GeneTex                                                                          |
| Wirt                     | Mouse                                                                            |
| Kategorie                | Antikörper                                                                       |
| Applikation              | FC                                                                               |
| Spezies Reaktivität      | Human, Primate                                                                   |
| Immunogen                | Interferon gamma derived from human leukocytes                                   |
| Konjugation              | PE/Cy7                                                                           |
| Klonalität               | Monoclonal                                                                       |
| Konzentration            | Batch dependent (Please refer to the vial label for the specific concentration.) |
| Klon-Bezeichnung         | [4S.B3]                                                                          |
| Isotyp                   | IgG1                                                                             |
| Sensitivitaet            | Binds both glycosylated and non-glycosylated protein.                            |

|                        |                                                                                                                                                                                                 |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">3458</a>                                                                                                                                                                            |
| UniProt                | <a href="#">P01579</a>                                                                                                                                                                          |
| Puffer                 | PBS, 15mM Sodium azide.                                                                                                                                                                         |
| Formulierung           | Liquid                                                                                                                                                                                          |
| Anwendungsbeschreibung | FCM: 4 µl reagent / 100 µl of whole blood or 10 <sup>6</sup> cells in a suspension. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
