## Product Datasheet

### CDT2 antibody, Unconjugated, Rabbit, Polyclonal GTX00893

|                          |                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------|
| Artikelname              | CDT2 antibody, Unconjugated, Rabbit, Polyclonal                                      |
| Artikelnummer            | GTX00893                                                                             |
| Hersteller Artikelnummer | GTX00893                                                                             |
| Alternativnummer         | GTX00893-100                                                                         |
| Hersteller               | GeneTex                                                                              |
| Wirt                     | Rabbit                                                                               |
| Kategorie                | Antikörper                                                                           |
| Applikation              | FC, ICC, IP, WB                                                                      |
| Spezies Reaktivität      | Hamster, Human, Mouse, Rat                                                           |
| Immunogen                | E. coli expressed and purified 6xHis-tagged C-terminal 150 amino acids of human Cdt2 |
| Konjugation              | Unconjugated                                                                         |
| Klonalität               | Polyclonal                                                                           |
| Molekulargewicht         | 79                                                                                   |
| NCBI                     | <a href="#">51514</a>                                                                |
| UniProt                  | <a href="#">Q9NZJ0</a>                                                               |
| Puffer                   | Serum, 0.05% Sodium azide.                                                           |
| Formulierung             | Liquid                                                                               |

|                        |                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | WB: 1:200-1:2000. ICC/IF: 1:100-1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
