| Artikelnummer            | GTX04156-01                                                                                                                    |
| Hersteller Artikelnummer | GTX04156-01                                                                                                                    |
| Alternativnummer         | GTX04156-01-1                                                                                                                  |
| Hersteller               | GeneTex                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                     |
| Applikation              | ELISA, FC, IHC-Fr, IHC-P, WB                                                                                                   |
| Spezies Reaktivität      | Sheep                                                                                                                          |
| Immunogen                | Pepsin digest of Rabbit Anti-Sheep IgG(H+L).                                                                                   |
| Konjugation              | HRP                                                                                                                            |
| Klonalität               | Polyclonal                                                                                                                     |
| Konzentration            | Batch dependent (Please refer to the vial label for the specific concentration.)                                               |
| Sensitivitaet            | Pre-adsorbed with None. May react with immunoglobulins from other species and the light chains of other sheep immunoglobulins. |
| Puffer                   | PBS, 50% glycerol, no preservatives.                                                                                           |

|                        |                                                                                                                                   |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                            |
| Target-Kategorie       | IgG                                                                                                                               |
| Anwendungsbeschreibung | ELISA: 1:4000-1:8000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
