## Product Datasheet

### LRP2 antibody [ARC63830], Unconjugated, Rabbit, Monoclonal GTX04758

|                          |                                                                                                                                            |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | LRP2 antibody [ARC63830], Unconjugated, Rabbit, Monoclonal                                                                                 |
| Artikelnummer            | GTX04758                                                                                                                                   |
| Hersteller Artikelnummer | GTX04758                                                                                                                                   |
| Alternativnummer         | GTX04758-100                                                                                                                               |
| Hersteller               | GeneTex                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                 |
| Applikation              | FC, IHC-P, WB                                                                                                                              |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                          |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 4446-4655 of human intracellular Megalin/LRP2 (NP_004516.2). |
| Konjugation              | Unconjugated                                                                                                                               |
| Klonalität               | Monoclonal                                                                                                                                 |
| Konzentration            | Batch dependent (Please refer to the vial label for the specific concentration.)                                                           |
| Klon-Bezeichnung         | [ARC63830]                                                                                                                                 |
| Molekulargewicht         | 522                                                                                                                                        |
| NCBI                     | <a href="#">4036</a>                                                                                                                       |

|                        |                                                                                                                                                                    |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P98164</a>                                                                                                                                             |
| Puffer                 | PBS, 0.05% BSA, 50% glycerol, 0.05% proclin300.                                                                                                                    |
| Formulierung           | Liquid                                                                                                                                                             |
| Anwendungsbeschreibung | WB: 1:500-1:1000. IHC-P: 1:50-1:200. FCM: 1:100-1:500. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
