## Product Datasheet

### Estrogen Receptor beta 5 antibody [PPG5/25], IgG1, Unconjugated, Mouse, Monoclonal GTX04767

|                          |                                                                                                                       |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Estrogen Receptor beta 5 antibody [PPG5/25], IgG1, Unconjugated, Mouse, Monoclonal                                    |
| Artikelnummer            | GTX04767                                                                                                              |
| Hersteller Artikelnummer | GTX04767                                                                                                              |
| Alternativnummer         | GTX04767-100                                                                                                          |
| Hersteller               | GeneTex                                                                                                               |
| Wirt                     | Mouse                                                                                                                 |
| Kategorie                | Antikörper                                                                                                            |
| Applikation              | ICC, IHC-P, WB                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                 |
| Immunogen                | Tuberculin conjugated synthetic peptide (LLSHVRHARYAP), derived from the C-terminus of human Estrogen Receptor beta 5 |
| Konjugation              | Unconjugated                                                                                                          |
| Klonalität               | Monoclonal                                                                                                            |
| Konzentration            | 0.2 mg/ml (Please refer to the vial label for the specific concentration.)                                            |
| Klon-Bezeichnung         | [PPG5/25]                                                                                                             |
| Molekulargewicht         | 59                                                                                                                    |

|                        |                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotyp                 | IgG1                                                                                                                                                            |
| NCBI                   | <a href="#">2100</a>                                                                                                                                            |
| UniProt                | <a href="#">Q92731</a>                                                                                                                                          |
| Puffer                 | 10 mM PBS, 0.05% BSA (Please contact us for PBS only format), 0.05% sodium azide.                                                                               |
| Formulierung           | Liquid                                                                                                                                                          |
| Anwendungsbeschreibung | WB: 2-4 µg/mL. ICC/IF: 1-2 µg/mL. IHC-P: 1-2 µg/mL. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
