## Product Datasheet

### ATP5H antibody [6B12], IgG2b, Unconjugated, Mouse, Monoclonal GTX04924

|                          |                                                                            |
|--------------------------|----------------------------------------------------------------------------|
| Artikelname              | ATP5H antibody [6B12], IgG2b, Unconjugated, Mouse, Monoclonal              |
| Artikelnummer            | GTX04924                                                                   |
| Hersteller Artikelnummer | GTX04924                                                                   |
| Alternativnummer         | GTX04924-100                                                               |
| Hersteller               | GeneTex                                                                    |
| Wirt                     | Mouse                                                                      |
| Kategorie                | Antikörper                                                                 |
| Applikation              | ICC, IHC-P, WB                                                             |
| Spezies Reaktivität      | Human, Monkey, Mouse, Rat                                                  |
| Immunogen                | E.coli-derived human ATP5H recombinant protein (Position: A2-L161)         |
| Konjugation              | Unconjugated                                                               |
| Klonalität               | Monoclonal                                                                 |
| Konzentration            | 0.5 mg/ml (Please refer to the vial label for the specific concentration.) |
| Klon-Bezeichnung         | [6B12]                                                                     |
| Molekulargewicht         | 18                                                                         |
| Isotyp                   | IgG2b                                                                      |
| NCBI                     | <a href="#">10476</a>                                                      |

|                        |                                                                                                                                                                  |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">O75947</a>                                                                                                                                           |
| Puffer                 | 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg Sodium Azide.                                                                      |
| Formulierung           | Liquid                                                                                                                                                           |
| Anwendungsbeschreibung | WB: 0.1-0.5µg/ml. ICC/IF: 2µg/ml. IHC-P: 0.5-1µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
