| Artikelname              | Anillin antibody, Unconjugated, Rabbit, Polyclonal                                                                 |
| Artikelnummer            | GTX04983                                                                                                           |
| Hersteller Artikelnummer | GTX04983                                                                                                           |
| Alternativnummer         | GTX04983-100                                                                                                       |
| Hersteller               | GeneTex                                                                                                            |
| Wirt                     | Rabbit                                                                                                             |
| Kategorie                | Antikörper                                                                                                         |
| Applikation              | ICC, IHC-P, WB                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                  |
| Immunogen                | A synthesized peptide derived from human ANLN(Accession Q9NQW6), corresponding to amino acid residues E1093-P1124. |
| Konjugation              | Unconjugated                                                                                                       |
| Klonalität               | Polyclonal                                                                                                         |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                           |
| Molekulargewicht         | 124                                                                                                                |
| NCBI                     | <a href="#">54443</a>                                                                                              |
| UniProt                  | <a href="#">Q9NQW6</a>                                                                                             |
| Puffer                   | PBS, 150mM NaCl, 50%Glycerol, 0.02% Sodium Azide.                                                                  |

|                        |                                                                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                |
| Anwendungsbeschreibung | WB: 1:500-1:2000. ICC/IF: 1:100-1:500. IHC-P: 1:50-1:200. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
