## Product Datasheet

### Avidin antibody, Unconjugated, Rabbit, Polyclonal GTX05001

|                          |                                                                          |
|--------------------------|--------------------------------------------------------------------------|
| Artikelname              | Avidin antibody, Unconjugated, Rabbit, Polyclonal                        |
| Artikelnummer            | GTX05001                                                                 |
| Hersteller Artikelnummer | GTX05001                                                                 |
| Alternativnummer         | GTX05001-100                                                             |
| Hersteller               | GeneTex                                                                  |
| Wirt                     | Rabbit                                                                   |
| Kategorie                | Antikörper                                                               |
| Applikation              | ELISA, IHC, WB                                                           |
| Spezies Reaktivität      | Gallus                                                                   |
| Immunogen                | Native Avidin (Hen Egg White) protein                                    |
| Konjugation              | Unconjugated                                                             |
| Klonalität               | Polyclonal                                                               |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.) |
| NCBI                     | <a href="#">396260</a>                                                   |
| UniProt                  | <a href="#">P02701</a>                                                   |
| Puffer                   | 20mM Potassium Phosphate, 150mM NaCl, 0.01% Sodium Azide.                |
| Formulierung             | Liquid                                                                   |

|                        |                                                                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | WB: 1:1000-1:10000. ELISA: 1:2000-1:20000. IHC: 1:1000-1:5000.<br>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
