## Product Datasheet

### KGF antibody, Unconjugated, Rabbit, Polyclonal GTX05025

|                          |                                                                                                         |
|--------------------------|---------------------------------------------------------------------------------------------------------|
| Artikelname              | KGF antibody, Unconjugated, Rabbit, Polyclonal                                                          |
| Artikelnummer            | GTX05025                                                                                                |
| Hersteller Artikelnummer | GTX05025                                                                                                |
| Alternativnummer         | GTX05025-100                                                                                            |
| Hersteller               | GeneTex                                                                                                 |
| Wirt                     | Rabbit                                                                                                  |
| Kategorie                | Antikörper                                                                                              |
| Applikation              | IHC-P, WB                                                                                               |
| Spezies Reaktivität      | Human                                                                                                   |
| Immunogen                | Synthetic peptide corresponding to a region derived from Human Fibroblast growth factor 7 (179-182 aa). |
| Konjugation              | Unconjugated                                                                                            |
| Klonalität               | Polyclonal                                                                                              |
| Konzentration            | 0.4 mg/ml (Please refer to the vial label for the specific concentration.)                              |
| Molekulargewicht         | 23                                                                                                      |
| NCBI                     | <a href="#">2252</a>                                                                                    |
| UniProt                  | <a href="#">P21781</a>                                                                                  |
| Puffer                   | PBS, 40% Glycerol, 0.05% Sodium Azide.                                                                  |

|                        |                                                                                                                                                   |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                            |
| Anwendungsbeschreibung | WB: 1:1000-1:3000. IHC-P: 1:50-1:200. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
