## Product Datasheet

### NKp46 antibody, Unconjugated, Rabbit, Polyclonal GTX05037

|                          |                                                                                                                     |
|--------------------------|---------------------------------------------------------------------------------------------------------------------|
| Artikelname              | NKp46 antibody, Unconjugated, Rabbit, Polyclonal                                                                    |
| Artikelnummer            | GTX05037                                                                                                            |
| Hersteller Artikelnummer | GTX05037                                                                                                            |
| Alternativnummer         | GTX05037-100                                                                                                        |
| Hersteller               | GeneTex                                                                                                             |
| Wirt                     | Rabbit                                                                                                              |
| Kategorie                | Antikörper                                                                                                          |
| Applikation              | IHC-P, WB                                                                                                           |
| Spezies Reaktivität      | Human, Mouse                                                                                                        |
| Immunogen                | Synthetic peptide corresponding to residues near the C terminal of human natural cytotoxicity triggering receptor 1 |
| Konjugation              | Unconjugated                                                                                                        |
| Klonalität               | Polyclonal                                                                                                          |
| Konzentration            | 1.4 mg/ml (Please refer to the vial label for the specific concentration.)                                          |
| Molekulargewicht         | 34                                                                                                                  |
| NCBI                     | <a href="#">9437</a>                                                                                                |
| UniProt                  | <a href="#">O76036</a>                                                                                              |
| Puffer                   | PBS, 40% Glycerol, 0.05% Sodium Azide.                                                                              |

|                        |                                                                                                                                                  |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                           |
| Anwendungsbeschreibung | WB: 1:200-1:1000. IHC-P: 1:25-1:100. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
