## Product Datasheet

### SLC7A9 antibody, Unconjugated, Rabbit, Polyclonal GTX05042

|                          |                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------|
| Artikelname              | SLC7A9 antibody, Unconjugated, Rabbit, Polyclonal                                        |
| Artikelnummer            | GTX05042                                                                                 |
| Hersteller Artikelnummer | GTX05042                                                                                 |
| Alternativnummer         | GTX05042-100                                                                             |
| Hersteller               | GeneTex                                                                                  |
| Wirt                     | Rabbit                                                                                   |
| Kategorie                | Antikörper                                                                               |
| Applikation              | ELISA, FC, WB                                                                            |
| Spezies Reaktivität      | Mouse, Rat                                                                               |
| Immunogen                | E.coli-derived mouse Slc7a9 recombinant protein (Position: M1-E487).                     |
| Konjugation              | Unconjugated                                                                             |
| Klonalität               | Polyclonal                                                                               |
| Konzentration            | 0.5 mg/ml (Please refer to the vial label for the specific concentration.)               |
| Molekulargewicht         | 53                                                                                       |
| NCBI                     | <a href="#">30962</a>                                                                    |
| UniProt                  | <a href="#">Q9QXA6</a>                                                                   |
| Puffer                   | 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> , no preservatives. |

|                        |                                                                                                                                                                                          |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                   |
| Anwendungsbeschreibung | <p>WB: 0.25-0.5µg/ml. FCM: 1-3 µg/106 cells. ELISA: 0.1-0.5µg/ml.</p> <p>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications.</p> |
