## Product Datasheet

### PI4 kinase beta antibody, Unconjugated, Rabbit, Polyclonal GTX05121

|                          |                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------|
| Artikelname              | PI4 kinase beta antibody, Unconjugated, Rabbit, Polyclonal                                    |
| Artikelnummer            | GTX05121                                                                                      |
| Hersteller Artikelnummer | GTX05121                                                                                      |
| Alternativnummer         | GTX05121-400                                                                                  |
| Hersteller               | GeneTex                                                                                       |
| Wirt                     | Rabbit                                                                                        |
| Kategorie                | Antikörper                                                                                    |
| Applikation              | FC, IHC-P, WB                                                                                 |
| Spezies Reaktivität      | Human, Mouse                                                                                  |
| Immunogen                | KLH conjugated synthetic peptide 519-548 amino acids from the Central region of human PIK4CB. |
| Konjugation              | Unconjugated                                                                                  |
| Klonalität               | Polyclonal                                                                                    |
| Konzentration            | Batch dependent (Please refer to the vial label for the specific concentration.)              |
| Molekulargewicht         | 91                                                                                            |
| NCBI                     | <a href="#">5298</a>                                                                          |
| UniProt                  | <a href="#">Q9UBF8</a>                                                                        |
| Puffer                   | PBS, 0.09% Sodium azide.                                                                      |

|                        |                                                                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                     |
| Anwendungsbeschreibung | WB: 1:1000. IHC-P: 1:50-1:100. FCM: 1:10-1:50. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
