## Product Datasheet

### LC3B antibody, Unconjugated, Rabbit, Polyclonal GTX100240

|                          |                                                                          |
|--------------------------|--------------------------------------------------------------------------|
| Artikelname              | LC3B antibody, Unconjugated, Rabbit, Polyclonal                          |
| Artikelnummer            | GTX100240                                                                |
| Hersteller Artikelnummer | GTX100240                                                                |
| Alternativnummer         | GTX100240-25, GTX100240-100                                              |
| Hersteller               | GeneTex                                                                  |
| Wirt                     | Rabbit                                                                   |
| Kategorie                | Antikörper                                                               |
| Applikation              | IHC-P, WB                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                        |
| Immunogen                | Full length rat LC3B Recombinant protein.                                |
| Konjugation              | Unconjugated                                                             |
| Klonalität               | Polyclonal                                                               |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.) |
| Molekulargewicht         | 16                                                                       |
| NCBI                     | <a href="#">64862</a>                                                    |
| UniProt                  | <a href="#">Q62625</a>                                                   |
| Puffer                   | PBS, 20% Glycerol, 0.01% Thimerosal.                                     |
| Formulierung             | Liquid                                                                   |

|                        |                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | WB: 1:500-1:10000. IHC-P: 1:100-1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
