## Product Datasheet

### Gelsolin antibody [C2C3], C-term, Unconjugated, Rabbit, Polyclonal GTX101185

|                          |                                                                                                                                |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Gelsolin antibody [C2C3], C-term, Unconjugated, Rabbit, Polyclonal                                                             |
| Artikelnummer            | GTX101185                                                                                                                      |
| Hersteller Artikelnummer | GTX101185                                                                                                                      |
| Alternativnummer         | GTX101185-25, GTX101185-100                                                                                                    |
| Hersteller               | GeneTex                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                     |
| Applikation              | ICC, IHC-P, WB                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                              |
| Immunogen                | Recombinant protein encompassing a sequence within the C-terminus region of human Gelsolin. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                   |
| Klonalität               | Polyclonal                                                                                                                     |
| Konzentration            | 0.86 mg/ml (Please refer to the vial label for the specific concentration.)                                                    |
| Molekulargewicht         | 86                                                                                                                             |
| NCBI                     | <a href="#">2934</a>                                                                                                           |
| UniProt                  | <a href="#">P06396</a>                                                                                                         |

|                        |                                                                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | PBS, 20% Glycerol, 0.025% ProClin 300.                                                                                                                                      |
| Formulierung           | Liquid                                                                                                                                                                      |
| Anwendungsbeschreibung | WB: 1:500-1:3000. ICC/IF: 1:100-1:1000. IHC-P: 1:100-1:1000.<br>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
