## Product Datasheet

### CDA antibody, Unconjugated, Rabbit, Polyclonal GTX101673

|                          |                                                                                                                       |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Artikelname              | CDA antibody, Unconjugated, Rabbit, Polyclonal                                                                        |
| Artikelnummer            | GTX101673                                                                                                             |
| Hersteller Artikelnummer | GTX101673                                                                                                             |
| Alternativnummer         | GTX101673-100, GTX101673-25                                                                                           |
| Hersteller               | GeneTex                                                                                                               |
| Wirt                     | Rabbit                                                                                                                |
| Kategorie                | Antikörper                                                                                                            |
| Applikation              | IHC-P, WB                                                                                                             |
| Spezies Reaktivität      | Human, Mouse                                                                                                          |
| Immunogen                | Recombinant protein encompassing a sequence within the center region of human CDA. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                          |
| Klonalität               | Polyclonal                                                                                                            |
| Konzentration            | 0.71 mg/ml (Please refer to the vial label for the specific concentration.)                                           |
| Molekulargewicht         | 16                                                                                                                    |
| NCBI                     | <a href="#">978</a>                                                                                                   |
| UniProt                  | <a href="#">P32320</a>                                                                                                |
| Puffer                   | PBS, 20% Glycerol, 0.025% ProClin 300.                                                                                |

|                        |                                                                                                                                                    |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                             |
| Anwendungsbeschreibung | WB: 1:500-1:3000. IHC-P: 1:100-1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
