## Product Datasheet

### Zika virus NS5 protein antibody, Unconjugated, Rabbit, Polyclonal GTX133329

|                          |                                                                                                                                                                        |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Zika virus NS5 protein antibody, Unconjugated, Rabbit, Polyclonal                                                                                                      |
| Artikelnummer            | GTX133329                                                                                                                                                              |
| Hersteller Artikelnummer | GTX133329                                                                                                                                                              |
| Alternativnummer         | GTX133329-100, GTX133329-25                                                                                                                                            |
| Hersteller               | GeneTex                                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                             |
| Applikation              | ICC, WB                                                                                                                                                                |
| Spezies Reaktivität      | Virus                                                                                                                                                                  |
| Immunogen                | Recombinant protein encompassing a sequence within the C-terminus region of Zika virus NS5 protein (Zika virus (strain H/PF/2013)). The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                                                           |
| Klonalität               | Polyclonal                                                                                                                                                             |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                               |
| Molekulargewicht         | 103                                                                                                                                                                    |
| Sensitivitaet            | This antibody is specific for Zika virus NS5 protein, and it does not cross-react with CHIKV, DENV-1, DENV-2, DENV-3, and DENV-4 NS5 protein.                          |

|                        |                                                                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | PBS, 20% Glycerol, 0.025% ProClin 300.                                                                                                                |
| Formulierung           | Liquid                                                                                                                                                |
| Anwendungsbeschreibung | WB: 1:1000-1:10000. ICC/IF: 1:100-1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
