| Artikelname              | Lassa virus Glycoprotein G2 antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                                                 |
| Artikelnummer            | GTX134872                                                                                                                                                                                                              |
| Hersteller Artikelnummer | GTX134872                                                                                                                                                                                                              |
| Alternativnummer         | GTX134872-25, GTX134872-100                                                                                                                                                                                            |
| Hersteller               | GeneTex                                                                                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                                                                             |
| Applikation              | WB                                                                                                                                                                                                                     |
| Spezies Reaktivität      | Virus                                                                                                                                                                                                                  |
| Immunogen                | Carrier-protein conjugated synthetic peptide encompassing a sequence within the center region of Lassa virus Glycoprotein G2 (Lassa virus (strain mouse/Sierra Leone/Josiah/1976)). The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                                                                                                           |
| Klonalität               | Polyclonal                                                                                                                                                                                                             |
| Konzentration            | 1.58 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                                                            |
| Puffer                   | PBS, 20% Glycerol, 0.025% ProClin 300.                                                                                                                                                                                 |
| Formulierung             | Liquid                                                                                                                                                                                                                 |

Anwendungsbeschreibung

WB: 1:5000. \*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications.
