## Product Datasheet

### Aldolase A antibody, Unconjugated, Rabbit, Polyclonal GTX30044

|                          |                                                                                                                   |
|--------------------------|-------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Aldolase A antibody, Unconjugated, Rabbit, Polyclonal                                                             |
| Artikelnummer            | GTX30044                                                                                                          |
| Hersteller Artikelnummer | GTX30044                                                                                                          |
| Alternativnummer         | GTX30044-100                                                                                                      |
| Hersteller               | GeneTex                                                                                                           |
| Wirt                     | Rabbit                                                                                                            |
| Kategorie                | Antikörper                                                                                                        |
| Applikation              | ICC, WB                                                                                                           |
| Spezies Reaktivität      | Human, Mouse                                                                                                      |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 1-348 of human ALDOA (NP_908930.1). |
| Konjugation              | Unconjugated                                                                                                      |
| Klonalität               | Polyclonal                                                                                                        |
| Konzentration            | Batch dependent (Please refer to the vial label for the specific concentration.)                                  |
| Molekulargewicht         | 39                                                                                                                |
| NCBI                     | <a href="#">226</a>                                                                                               |
| UniProt                  | <a href="#">P04075</a>                                                                                            |
| Puffer                   | PBS, 50% Glycerol, 0.02% Sodium azide.                                                                            |

|                        |                                                                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                |
| Anwendungsbeschreibung | WB: 1:500 - 1:2000. ICC/IF: 1:20 - 1:100. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
