## Product Datasheet

### **FXR2 antibody [1G2], IgG1, Unconjugated, Mouse, Monoclonal GTX30602**

|                          |                                                                                    |
|--------------------------|------------------------------------------------------------------------------------|
| Artikelname              | FXR2 antibody [1G2], IgG1, Unconjugated, Mouse, Monoclonal                         |
| Artikelnummer            | GTX30602                                                                           |
| Hersteller Artikelnummer | GTX30602                                                                           |
| Alternativnummer         | GTX30602-100                                                                       |
| Hersteller               | GeneTex                                                                            |
| Wirt                     | Mouse                                                                              |
| Kategorie                | Antikörper                                                                         |
| Applikation              | ICC, IHC-P, WB                                                                     |
| Spezies Reaktivität      | Human, Mouse                                                                       |
| Immunogen                | Recombinant C-terminal fragment of human FXR2 (residues 414-658). [UniProt P51116] |
| Konjugation              | Unconjugated                                                                       |
| Klonalität               | Monoclonal                                                                         |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)           |
| Klon-Bezeichnung         | [1G2]                                                                              |
| Molekulargewicht         | 74                                                                                 |
| Isotyp                   | IgG1                                                                               |
| NCBI                     | <a href="#">9513</a>                                                               |

|                        |                                                                                                                                                                         |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P51116</a>                                                                                                                                                  |
| Puffer                 | PBS, 0.01% Sodium azide.                                                                                                                                                |
| Formulierung           | Liquid                                                                                                                                                                  |
| Anwendungsbeschreibung | WB: 1:500 - 1:2500. ICC/IF: 1:100 - 1:200. IHC-P: 20 µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
