## Product Datasheet

### PTEN antibody [9E8], IgG1, Clone: [9.00E+08], Unconjugated, Mouse, Monoclonal GTX34151

|                          |                                                                               |
|--------------------------|-------------------------------------------------------------------------------|
| Artikelname              | PTEN antibody [9E8], IgG1, Clone: [9.00E+08], Unconjugated, Mouse, Monoclonal |
| Artikelnummer            | GTX34151                                                                      |
| Hersteller Artikelnummer | GTX34151                                                                      |
| Alternativnummer         | GTX34151-100                                                                  |
| Hersteller               | GeneTex                                                                       |
| Wirt                     | Mouse                                                                         |
| Kategorie                | Antikörper                                                                    |
| Applikation              | IHC-P                                                                         |
| Spezies Reaktivität      | Human                                                                         |
| Immunogen                | synthetic peptide derived from PTEN at 320-400 aa.                            |
| Konjugation              | Unconjugated                                                                  |
| Klonalität               | Monoclonal                                                                    |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)      |
| Klon-Bezeichnung         | [9.00E+08]                                                                    |

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Isotyp                 | IgG1                                                                                                                            |
| NCBI                   | 5728                                                                                                                            |
| UniProt                | P60484                                                                                                                          |
| Puffer                 | PBS, 0.5% BSA, 50% Glycerol, 0.02% Sodium azide.                                                                                |
| Reinheit               | Purified by antigen-affinity chromatography                                                                                     |
| Formulierung           | Liquid                                                                                                                          |
| Anwendungsbeschreibung | IHC-P: 1:100-1:200. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
