## Product Datasheet

### hnRNP A2B1 antibody, N-term, Unconjugated, Rabbit, Polyclonal GTX47243

|                          |                                                                               |
|--------------------------|-------------------------------------------------------------------------------|
| Artikelname              | hnRNP A2B1 antibody, N-term, Unconjugated, Rabbit, Polyclonal                 |
| Artikelnummer            | GTX47243                                                                      |
| Hersteller Artikelnummer | GTX47243                                                                      |
| Alternativnummer         | GTX47243-50                                                                   |
| Hersteller               | GeneTex                                                                       |
| Wirt                     | Rabbit                                                                        |
| Kategorie                | Antikörper                                                                    |
| Applikation              | IHC-P, WB                                                                     |
| Spezies Reaktivität      | Human                                                                         |
| Immunogen                | A synthetic peptide corresponding to a N-terminal region of Human hnRNP A2B1. |
| Konjugation              | Unconjugated                                                                  |
| Klonalität               | Polyclonal                                                                    |
| Konzentration            | 0.5-1 mg/ml (Please refer to the vial label for the specific concentration.)  |
| Molekulargewicht         | 37                                                                            |
| NCBI                     | <a href="#">3181</a>                                                          |
| UniProt                  | <a href="#">P22626</a>                                                        |
| Puffer                   | PBS, 2% Sucrose, 0.09% Sodium azide.                                          |

|                        |                                                                                                                                                   |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                            |
| Anwendungsbeschreibung | WB: 0.2-2.5 ug/ml. IHC-P: 2-10 ug/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
