## Product Datasheet

### Ube2J2 antibody, Unconjugated, Rabbit, Polyclonal GTX48692

|                          |                                                                                    |
|--------------------------|------------------------------------------------------------------------------------|
| Artikelname              | Ube2J2 antibody, Unconjugated, Rabbit, Polyclonal                                  |
| Artikelnummer            | GTX48692                                                                           |
| Hersteller Artikelnummer | GTX48692                                                                           |
| Alternativnummer         | GTX48692-50                                                                        |
| Hersteller               | GeneTex                                                                            |
| Wirt                     | Rabbit                                                                             |
| Kategorie                | Antikörper                                                                         |
| Applikation              | ELISA, IP, WB                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                  |
| Immunogen                | Synthetic peptide corresponding to an internal region of the human Ube2j2 protein. |
| Konjugation              | Unconjugated                                                                       |
| Klonalität               | Polyclonal                                                                         |
| Konzentration            | 0.91 mg/ml (Please refer to the vial label for the specific concentration.)        |
| Molekulargewicht         | 29                                                                                 |
| NCBI                     | <a href="#">118424</a>                                                             |
| UniProt                  | <a href="#">Q8N2K1</a>                                                             |
| Puffer                   | 20mM Potassium Phosphate, 150mM NaCl, 0.01% Sodium azide.                          |

|                        |                                                                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                               |
| Anwendungsbeschreibung | WB: 1:500-1:3000. ELISA: 1:5000-1:25000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
