| Artikelname              | IL12B / IL12 p40 antibody [2S25], IgG2, Unconjugated, Mouse, Monoclonal                                  |
| Artikelnummer            | GTX52651                                                                                                 |
| Hersteller Artikelnummer | GTX52651                                                                                                 |
| Alternativnummer         | GTX52651-50                                                                                              |
| Hersteller               | GeneTex                                                                                                  |
| Wirt                     | Mouse                                                                                                    |
| Kategorie                | Antikörper                                                                                               |
| Applikation              | ELISA, WB                                                                                                |
| Spezies Reaktivität      | Human                                                                                                    |
| Immunogen                | The immunogen corresponding to a region within amino acids 23 - 328 of Human IL-12 p40 (Uniprot: P29460) |
| Konjugation              | Unconjugated                                                                                             |
| Klonalität               | Monoclonal                                                                                               |
| Konzentration            | 200 µg/ml (Please refer to the vial label for the specific concentration.)                               |
| Klon-Bezeichnung         | [2S25]                                                                                                   |
| Molekulargewicht         | 37                                                                                                       |
| Isotyp                   | IgG2                                                                                                     |

|                        |                                                                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">3593</a>                                                                                                                                   |
| UniProt                | <a href="#">P29460</a>                                                                                                                                 |
| Puffer                 | PBS, no preservatives.                                                                                                                                 |
| Formulierung           | Liquid                                                                                                                                                 |
| Anwendungsbeschreibung | WB: 1:100 - 1:500. ELISA: 1:1000 - 1:2000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
